

A wide-angle photograph of the interior of the Congress Center Bonn. The room is a large, modern auditorium with a high, glass-paneled ceiling. The seating consists of numerous rows of blue upholstered chairs arranged in a semi-circular pattern around a central stage area. The stage features a large, light-colored wall with a prominent, stylized eagle emblem. A German flag is visible on the left side of the stage. The overall atmosphere is professional and grand.

THE SETTING

THE BIRTHPLACE OF BEETHOVEN

Beethoven was born in Bonn in 1770. Today, the Beethoven House with the world's largest Beethoven collection is a place of pilgrimage for international visitors. Listening to the famous composer in concert here is a very special experience.

PLACES OF POLITICAL HISTORY

The Bonn Republic, the new beginning of the democratic Federal Republic, can only be experienced authentically here. Excitingly told with many interesting stories on a city tour or a tour with visits to original locations in Bonn and the region. Very special places of history are also open for conferences and celebrations.

FOR YOUR EVENT.....

UN SITE IN GERMANY

The Bonn region is international and cosmopolitan. Bonn is the only German UN city to be home to 18 secretariats dedicated to global issues of the future such as climate protection, desertification, water resources, soil and species conservation. In addition, the Bonn region is home to more than 150 international organizations working on UN priorities. International UN conferences with a far-reaching impact on the region are held every year, as are conferences of states parties and various international environmental conferences.

HEADQUARTERS OF DAX COMPANIES

Globally active commercial and financial companies such as Deutsche Telekom, Deutsche Post DHL and Deutsche Postbank have their corporate headquarters in Bonn. Other companies in the region include HARIBO, Verpoorten, BWI Informationstechnik and Mannstaedt.

TOP LOCATION FOR UNIVERSITIES, SCIENCE & RESEARCH

The Rheinische Friedrich-Wilhelms-Universität (German University of Excellence) has enjoyed an international reputation since 1818. The same goes for Bonn-Rhein-Sieg University of Applied Sciences and Alanus University of Arts and Social Sciences. Innovative research facilities such as CAESAR, the Fraunhofer Institute and the German Aerospace Center (DLR) as well as more than 200 science and technology institutions are located in the Bonn region.

RHINE, CULTURAL LANDSCAPE AND QUALITY OF LIFE

Bonn is located at the gateway to the Romantic Rhine with the Siebengebirge Nature Park and the Sieg Nature Region in the immediate vicinity. A congress or conference in the green city of Bonn or in the region is beautiful and offers a high quality of stay, which is repeatedly confirmed by guests from all over the world.

CONGRESS LOCATIONS

WORLD CONFERENCE CENTER BONN AT THE UN CAMPUS

The World Conference Center Bonn offers a wide range of possibilities for unique events in the main building and the former plenary hall directly on the UN Campus not far from the Rhine. For many years, the WCCB has been the venue for international conferences of various UN organizations and annual meetings of large companies.

The former plenary hall of the German Bundestag, where the members of the Bundestag met from 1992 to 1999, is a place of democracy and today a unique conference venue in Europe.
